LightInTheBox Regains Compliance with NYSE Listing Requirements

BEIJING, April 3, 2019 /PRNewswire/ — LightInTheBox Holding Co., Ltd. (NYSE: LITB) (“LightInTheBox” or the “Company”), a cross-border e-commerce platform that delivers products directly to consumers around the world, today announced it received notice from the New York Stock Exchange (“NYSE”) on April 1, 2019 indicating that the Company’s stock price was above the NYSE’s minimum requirement of \$1 based on a 30-trading day average. Accordingly, the Company is no longer considered below the \$1 continued listing criterion.

LightInTheBox had previously been notified by NYSE in October 2018 that the Company was “below criteria” due to the average closing price of the Company’s ADSs being less than US\$1.00 over a consecutive 30-trading-day period. In order to regain compliance with the rule, the Company was given the later of its subsequent annual meeting date or six months following receipt of notification to bring its stock price above the \$1 minimum level with a deadline date of April 22, 2019. This requirement was met on March 29, 2019 as the Company’s stock price was above the NYSE’s minimum requirement of \$1 based on a 30-trading day average.
